Local businessman, Bart Day, awarded a Paul Harris Fellowship *by Dolly Gordon*

I am sure that last name sounds familiar! William Day Construction has been a benefactor to our community for so many years and this year they Celebrate 70 years of business. It was Day Construction who built our swimming pool in Onaping back in 1967 and that pool is still up and running and a very a solid structure!

It is no surprise that Bill's son Bart follows in his father's footsteps by doing good for our community and our surrounding communities. On May 2nd the Rotary Club of Sudbury Sunrisers honoured Bart with an award for his contributions to the Elgin Street Mission.

Rotary President Jeff Shrigley, The Day Groups Everett Day, Rev. Amanda Labreche and Paul Harris Fellowship recipient Bart Day.

The Paul Harris Fellowship award is the Rotary Clubs highest honour and is recognized around the world for community service. During the month of December 2023 the Rotarians pulled out all the stops with significant fundraising efforts. At the end of the Rotary campaign The Day Group made a substantial, matching, donation of \$31,000 to support the Elgin Street Mission! The Day Group has donated \$150,000 to the mission over the past 3 years! Fantastic!!

Bart was Thanked by Sunrisers member Gerry Lougheed for such generosity. During his thank you speech Bart said 'It is an honour to receive all these awards, but really it has been on the backs of my mother and father for many years. So we're just trying to carry on a heritage and a legacy for my father. And I just want to say one thing. It's fine to say the Day Group is receiving this award but I want to tell you, there are many, many employees that made all this for us! We wouldn't be doing it without them!'

Bart was born and raised in Dowling and raised his family in our community. Now his children are raising their families close by. The Day family has been a huge supporter to our community for all of our events.

ART

A well attended show brought new viewers to our art and new art to life, and maybe a few new artist to the Onaping Falls Art Club!

Some of the art captivated with whimsy, others calmed with it's stunning beauty and one piece had many perplexed with what it all meant. (and that's what art is all about, something for everyone)

Art was seen. Art was won. Art was purchased. And, hopefully art was inspired

Thanks goes out to all those who had a hand, a brush, a pencil, a heART involved in the putting together of this years show.

Special thanks goes out to Chris Allen, Martha Cunningham-Closs, Dolly Gordon, Carrie Morin and the Canadian Legion 503.

Watch for the next local art show, or any art show, where people get to show the expressions of their heART and soul. And, if you find you have been struck by the artistic bug (there are other bugs out there besides black flies and mosquitos!), check out an art club near you.

Mackenzie Purvis

by Dolly Gordon

Mackenzie Purvis is an 18 year old student graduating from Bishop Carter High School this month.

Born and bred in Onaping Falls, her Mom and Dad, Corey & Annie are active volunteers in our community and her Grand Dad Dennis Purvis is her biggest fan!

This school year alone she was the NOSSA team champion for alpine skiing and her Gators hockey team won the Division 1 NOSSA Champions and Provincial Champs in the Little NHL tournament for U18.

'Kenzie' was crowned Miss Jr Onaping Falls in 2020.

She also worked at the A.Y. Jackson Lookout for the Summer in 2020 as a Junior Liaison to tourists. That summer the students greeted over 5000 people!

Another passion for Mackenzie is Flag Football. Her division took City Champs in Fall of 2023.

Our community is so lucky to have youth like Mackenzie who are driven and focused, participate in community events and volunteer their time helping our community thrive!

This photo of Mackenzie below was from when she played on the Onaping Falls Huskies team for seasons 2011-2012.

Flag Football with a nice snow storm in November didn't stop this girl from playing or smiling! Keep shining Kenzie! We are very proud of you!

OBSERVATION DECK

JUNE 2024 WITH ELLARD

Condolences to the families of Donald Cowan and Lindsey Maisonneuve

All the summer sports and programs are starting and everyone is battling the bugs.
"Come on Heat!"

We certainly have a serious problem with Highway 144. There are accidents galore with fatalities. What is the cause? Is it speeding or texting or both? We have been maintaining and slowly improving the highway. We have the merging lanes, turning lanes and passing lanes now. We certainly need more. Dog patch corner to the top of Clear Lake is like a raceway as well as to Dowling. Lots of people 'putting the pedal to the metal.' We can't blame the truckers as they seem to be driving the speed limit and they have rear mud flaps to prevent flinging stuff. The trucks are a much needed part of our industry.

Please slow down and smell the lilacs, treat the highway and your fellow drivers with respect, as like you, they don't want to become a statistic either.

Celebrating 75 years!

by Dolly Gordon

Happy Birthday to Johnny McKinnon!
Johnny celebrated his 75th Birthday on May 13th.
His family took him to dinner and presented him
a gorgeous cake and a ton of love!
At 16 years of age he hitch hiked from
Cape Breton Island to Toronto. 🤔
(You may notice a slight accent when he speaks)
Worked in T.O. for a bit and then moved up here
to work for Inco.
He has a kind soul and a heart of Gold
our Johnny does!

As they say in Cape Breton
"Lookin' good B'y"
