Dowling Fire Station celebrates 60 years

by Dolly Gordon

A small celebration was held on Sunday, September 29th at the Dowling Fire Station to celebrate 60 years of service to our community.

Pictured from left to right back row Leo Bouchard, Fred Constantin, Captain Bob Coupal, Craig Roney, Deputy Fire Chief Nathan Melin, Justin Marchioni and Mike Prevost
Middle row- Mike Poulin, Emmanuelle Moreau and Brandon Desrosiers

Awards for service were given out to Craig Roney, 20 years, Mike Poulin, 37 years and Joe Kuhle (one of the first Dowling Firefighters) with 60 years.

The 60th Anniversary celebration fell in line with the 37th Annual Cavalcade of Colours and Mother Nature gave them a beautiful weekend for the festivities!

It is always wonderful to see our community volunteers recognized for their efforts.

Thank you to the men and women who give their service to our small communities !

Artist of the Month

Cathy MacDonald

A long time member of OFAC working with acrylics and has had her work displayed at the McMichael's Gallery

Her art work will be displayed for the whole month of October at the Levack Onaping Library

Artists Participate, again!

The Lion's Club 2024 Cavalcade of Colours saw many of our members participating in this show. Hope you got a chance to get out and see the wonderful and varied works by local artists.

Our own Onaping Falls Art Club was represented by Patricia Winn, Lynda Carr, Janice Farrow, Brigitte Bere and Sheena Farrow.

Each artist submitted two pieces, one foot square to be for sale as a fund raiser to keep the Art Gallery of Sudbury going.

The Onaping Falls Art Club.....

Search this on Facebook for lots more info on the club and their activities, past, present and future. You'll find a link to the website, lots of photos of members, art and "stuff".

If you're interested in joining the group, you'll find info on that too. The members are willing to show you their techniques and tricks and share some secrets even. All artists are welcome, even if you've never done anything artistic since that hand print turkey you did in kindergarten!

The Onaping Falls Art Club membership meeting will be coming up soon, so keep your eyes and ears alert

OCTOBER 2024
WITH ELLARD

**Condolences to the families of Silvana Commito, Margaret Jane Russell,
Judith Sheldrake, Richard Cucksey and Claire Frappier**

Scammers are really upping their game. With technology they can even imitate your voice. They work evenings, long weekends and even statutory holidays because they know that is when most people, and in particular seniors and the aging community are most vulnerable. Should you receive an unexpected call, email or text from someone you do not know, see a phone number you do not recognize simply do not answer or respond. We can stop these scams and the persons who carry them out by simply ignoring them! If you are ever in doubt ask yourself if it sounds good to be true!
If you can answer YES...then likely it is.

High Fives and fist pumps go out to Bob Parker and his crew for putting our Canadian Flag and solar lights back up on the mountain across from the A.Y. Jackson Lookout. It really is a great site when you are driving North at night!

Also, Mike Diesel and his team did another great job on running the Patty O'Byrne Memorial 3 Sport. The open division had some very talented teams which was a treat for spectators.

Next High Five to Dan Messier and the Onaping Falls Curling Club committee who are managing to keep our Club open. Join the Club !!
Participate in Bonspiels for fun! Support our local groups!

High Five over to Commodore Shawn Whalen of the Ona Lac Canoe Club. The Canoe Club is in danger of closing because of low membership after so many many years in our community. We have a beautiful facility on Windy Lake with canoes, kayaks, sups, paddle boat, sauna, BBQ and a very private beach. Shawn and crew have taken advantage of government grants to build the Club up.
Your support of \$60 per family for the summer would be great!

A special visitor!

The Onaping Falls Lions Club had the honour to spend time with our Immediate Past International President, Dr. Patti Hill. Dr. Hill lives in Edmonton. She is the first female in Canada to be International President and the 2nd Internationally. We have not had a Canadian International President since 1989 with Lion Brian Stevenson.

Lion Patti came to Sudbury for the 100th Anniversary of the Sudbury Lions Club Charter. It was an honour for us to have her visit the Onaping Falls Lions Club on Saturday, September 21st. A luncheon was prepared with Lions from all over our District A5 and our Leos also had the honour to sit with Lion Patti for lunch. Such an amazing lady and a wonderful role model for all.

If you dream it ..go for it!

OCTOBER / OCTOBRE 2024

Hello,

Did you know that all public hospitals in Ontario have a process in place for their patients, families and the public to voice complaints or compliments about the care received during their visit? It is called the **Patient Relations** process.

Sharing your experience, with patient relations department at the hospital, allows them to assess the quality of patient experiences and identify opportunities to improve the services and processes at their hospital.

The Patient Relations office responds to inquiries and provides information about the hospital. They can also investigate a safety concern, a concern about care or a rights violation. If you share a compliment with them, they will gladly transmit it with the care team.

Until next month...

Bonjour,

Saviez-vous que tous les hôpitaux de l'Ontario ont un processus permettant aux patients, aux familles et au public d'exprimer des plaintes ou des compliments sur les soins reçus lors de leur visite? Il s'agit du processus de **Relations avec les patients**.

Partager votre expérience, avec le service des relations avec les patients, permet à l'hôpital d'évaluer la qualité des expériences des patients et d'identifier des opportunités pour améliorer leurs services.

Le bureau des Relations avec les patients peut répondre aux demandes de renseignements et fournir des informations au sujet de l'hôpital. Il peut également enquêter sur : un problème de sécurité, une préoccupation concernant les soins ou des violations des droits. Si vous lui faites part d'un compliment, il le transmettra à l'équipe de soins.

Cavalcade of Colours

by Dolly Gordon

For the past 37 years our community celebrates the cooler weather and the changing colour of the leaves with Cavalcade of Colours.

The weather was fabulous all weekend and attendees came out in hoards to enjoy the event !
The Lions Club did an amazing job coordinating vendors, activities and a phenomenal car show.

The car show had over 100 cars attend.

Many classic car owners showed up in memory of the late Gerry Montpellier.

Over 60 vendors for crafts and food, rope walls and a maze for kids, a photography contest, penny table, silent auction and an art show. The event was very busy and an incredible success.

Of course the Chevalier de Colomb did not disappoint with their delicious gravy hamburgers. The lineup was always long but so worth the wait!

The Onaping Falls High Riders Snowmobile Club was there sharing information on their great club!

The tradition continued at High Falls with the Onaping Falls Recreation Committee and Community Action Networks free Hotdog BBQ. The A.Y., Jackson Lookout building was open to visitors for the weekend and the visitor count was well over 1000!

It was so nice to see all of the families in attendance and those that 'save the date' for this annual event!

Happy Retirement

It's a bittersweet time for our community. We are celebrating with our local dentist and hygienist as they retire but also losing our community dental office. If you grew up in Levack or Onaping when you heard the name Andrews you thought Dentistry. You may have also grown up with one of the many kids in the Andrews family. I grew up with Jimmy!

As a little girl Dr. Ron Andrews was our communities dentist. Then one day you went for your check up and he was retired and his young blue eyed son Austin was our new dentist!
Austin came back after dental school to take over the family dental office.

He and his wife Pam had their home in Onaping where they raised their children Matti and Carly .
On the weekend they were either at camp, hockey, hunting, or fishing.

Come Monday morning Austin was at the Medical Centre drilling, filling and cleaning our communities teeth. Later, his sister Joan joined the practice as the Dental Hygienist.

Receptionist over the years that took our calls and scheduled our appointments were Donna Belec and Christine Allen. And in more recent years Melanie Quesnel and Diane Lebel.

The small town office feel of dentistry is not something you see very often. Our town will surely miss Austin and Joan but we do wish you both well in your retirement!

On behalf of the town of Onaping Falls and the dental community:

Onaping Falls Hockeyville comes to Sudbury

Elliot Lake may have won the Hockeyville 2024 contest but Sudbury was lucky to reap the benefits also. Besides winning \$250,000 for upgrades to their arena Elliot Lake hosted a pre-season hockey game between the Pittsburgh Penguins and the Ottawa Senators on Sunday, September 29th. Amanda McKay, the Chair of the Elliot Lake Local Organizing Committee got to drop the ceremonial puck between Sydney Crosby and Brady Tkachuk at the Sudbury Arena.

It wasn't easy to get tickets to the game but one of our local families managed to get some and attend. Rob Demers (former Onaping Falls Huskie) got to bring his son and grandsons to to the event.

For many in attendance it was their first NHL game and may be their only NHL game.

Rob Demers is pictured here with his Grandson Roman on the left and with his son, Brett and another Grandson Miles on the right!

Hockey Fan Favourite Sydney Crosby said ' You can tell the passion for the game is here. It is something that is ingrained in this community, like it is in many communities' The Penguins won 5-2 .

Congratulations to Elliot Lake on their victory of Kraftville 2024. Our small communities need the financial help to keep our arenas open and our kids in sports. When the competition heated up and votes were needed our small community kicked in and made sure to vote often to see Elliot Lake to victory
