ONAPING FALLS NEWS

Local couple, Lyne and Marc Brabant, help raise donations to Falls Food Bank with their giant skeletons! *by Dolly Gordon*

It starts at the beginning of October when Lyne and Marc Brabant create different Halloween scenes with their giant skeletons in their yard at 47 School Street in Levack. Every few days they would change up the actions of the skeletons, who are named Starvin' Marvin and Bonehead Fred. One day they created a rock concert with them. The couple also create a beautiful photo booth and welcome anyone in our communities to come and take Fall Family Photos.

There is no charge to come and take photos but they do ask for a donation to our local food bank, Falls Food. Above, Lyne and Marc are pictured with Falls Food Chair, Flora Chartrand and all of the food they collected (also with Fred and Marvin) during the month of October.

The fun began a few years back with smaller skeletons and gradually built up to one and then two giant 12ft skeletons.

You are always in for a fun scene during the yard decorating season! The skeletons also went for a drive to the Levack Home Hardware to check out what was for sale. There were some fun photos taken on that adventure as I am sure the staff got a kick out of it!

I know I speak for many when I say 'Thank You' to Lyne and Marc for all of their efforts to put smiles on our faces. Lyne updates her Facebook page with the adventures so those of us that live out of town can follow along.

Merry Christmas

Some of the best parts of school were travelling to the other schools to play in sports tournaments. Extra curricular activities were a lot of fun.

On Wednesday, November 6th our Levack Leopards Volleyball Team travelled to C.V.D.C.S. for a tournament with their Coach Ms. Lahnalampi.

While the girls were unsuccessful in bringing home a banner they brought their school spirit to the tourney and had a great time representing the school wearing their black and yellow!

Funny stuff!
Funny things I find on the interweb!

by Dolly Gordon

CHILDREN & THEIR GRAND PARENTS

- #1 I was in the bathroom putting on my makeup, under the watchful eye of my grand daughter, as I'd done many times before. After I applied my lipstick and started to leave, the little one said "But Grandma you forgot to kiss the toilet paper good-bye!" I will probably never put lipstick on again without thinking about kissing the toilet paper good-bye..
- #2 My youngest grandson called the other day to wish me Happy Birthday. He asked me how old I was, and I told him, 68. My grandson was quiet for a moment and then asked, bewildered, "Did you start at 1?"
- #3 After putting her grandchildren to bed , a grandmother changed into her old slacks and top and proceeded to wash her hair. As she heard the children getting rambunctious, her patience grew thin. Finally, she threw a towel around her head and stormed into their room, putting them back in bed with stern warnings. As she left the room she heard the 4 year old say in a trembling voice, "Who was THAT?"

And last but not least.....

- #4 When my grandson asked me how old I was I teasingly replied "I'm not sure." "Look in your underwear Grandpa!" he advised. "Mine says I'm 4 to 6." (Wow! I really like this one...!m only 38!)

OBSERVATION DECK

DECEMBER 2024
WITH ELLARD

Condolences to the family and friends of Richard BUB Pellerin, Sharon Patterson, Beverley Nowoselsky, Judy Ross (Allen), Arthur Welsh Maxwell Topolinski, Eldon Kaiser Lavigne, Shirley Sadenwater (Wills), Kyle McKay, George McKee, John Medley and Gayle Rogerson.

Sad to say that's a record for condolences since I started this column. Let's use this season as a reason to get together with family and friends and put to bed our differences.

Remember not too long ago when the Parkers and Friends on Mountain Street in Levack would turn their street into a Winter Wonderland? The kids would all freak out at seeing the different characters and Santa himself would stop by for pictures! They had hot chocolate, sleigh rides ...everyone decorated creating a Christmas Wonderland for all ages. That was so great! When was the last time you have a caroler come by your house with a tin can for donations so they could go to the Sudbury Telethon and put the money in the 'Wish Pot'?

I can even recall 'way way back when' that I had gone through the town on a horse drawn sleigh as Santa. Then, my son, Tim did it for a few years. He would come home smelling like booze and blame it on Jocko Lahnalampi who would tell the kids Santa liked orange juice and hand 'Santa' and xl orange juice 'spiked' Then up Lakeview Dr. and Colleen Bailey would come out with a large coffee (spiked)! It never stopped there! Thank Gosh Rudolph was driving!

Thank you to the Northwest Fudge Factory for all you have done to keep up with traditions. We look forward to the Grinch and friends parading through our towns again this year!

Ellies Bits will return in January...too many good stories to tell this month :)

*Merry Christmas to all,
Ellard*

An Unforgettable Holiday Treat

And our favourite entertainer Gavan Rousseau delivered! The Onaping Falls Lions Club were so pleased to help out with this special event organized by Gavan and his wife Leah. A 'Live Show and Dinner' was held at the Caruso Club on November 15th. All proceeds will be donated to the 76th Annual Lions Club Telethon on December 7th, 2024. The evening had performances from Johnny Cash, Elvis Presley and a few more of our favourite singers. Gavan does such an amazing job impersonating so many artists.

The emcee for the evening was our very own 'Duchess of Dowling' Carmen Portelance. and with 20+ Lions coming out to help execute the evening it was a 'Sold Out' success. Gavan Thanked the Onaping Falls Lions Club members (above) by commenting on his Facebook page "An entire crew of 20+ Lions made a night beyond anything I had imagined and certainly would not have been as stellar without their unyielding efforts" Bravo Lions! you are always willing to go above and beyond!

The executive of Onaping Falls Branch 503 would like to give a heart felt thank you to William Day Construction Limited, this is their 70th Anniversary and they are trying to do 70 acts of service. Our not-for-profit branch 503 sells ice to help us with daily expenses and our two ice machines broke down on us, as they were very old and outdated.

William Day Construction Limited graciously donated the money for us to purchase (2) brand new ice machines. This was an incredible gift, and we cannot thank them enough for their generosity.

Thank You!
Branch 503 President Jeff Dane
